

# Death Cab For Cutie, I Will Possess Your Heart

How I wish you could see the potential  
The potential of you and me  
It's like a book elegantly bound, but  
In a language that you can't read just yet

You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart  
You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart

There are days when, outside your window  
I see my reflection as I slowly pass  
And I long for this mirrored perspective  
When we'll be lovers, lovers at last

You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart  
You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart  
I will possess your heart  
I will possess your heart

You reject my advances and desperate pleas  
I won't let you let me down so easily  
So easily

You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart  
You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart  
You got to spend some time, love  
You got to spend some time with me  
And I know that you'll find, love  
I will possess your heart  
I will possess your heart  
I will possess your heart
