

# Death In June, Love Murder

Where are you going?  
I want to know  
Where are you going?  
I want to know

Please give your life  
To me  
I'd take your life  
From you

White roses cover  
Your head, hands and heart  
White roses cover  
Your head, hands and heart

Please give your love  
to me  
I'd give my life  
For you

How can such beauty  
Be torn by flesh?  
How can such beauty  
Be torn by flesh?

Please give your life to me  
I'd give my love for you
