

Death In June, Sons Of Europe

Sons of the east
Guards well trained
Have put a stop to the Polish train
Sons of the west
Have grown weak
The American Dream
Has sent you to sleep
Sons of Europe
Sick with liberalism
sons of Europe
Chained with capitalism
Sons of Europe
Make very sure
You don't burn
In a Wall Street War

Sons of Europe Arise Arise
Sons of Europe Arise Arise

On a marble slab in Yalta
Mother Europe
Was Slaughtered
