Death In June, Tick Tock

"This is a story about people who like to waste time... waste my time, waste your time, waste Tick Tock Tick Tock Tick Tock 3 piggies standing in the dock Their pockets all empty and bare Their futures, their homes, nowhere.

Auf wiedersehen...

Do vdjenja...

With egos they decide to lead With stupidity they ooze and bleed What comfort they could have had Is now gone and up for grabs

Tick Tock Tick Tock Tick Tock 3 piggies standing in the dock Their snouts all bloody and red They should have said goodbye instead.

Ciao! Auf Wiedersehn! Arrivederci piggie!
