

Death In June, Truly Be

Considerable My Power
Of Destruction
To My Church My Heart
I Dedicate, I Dedicate

I pity those behind Me
Self centred and too late
Self centred and too late
Far too late

You were then, And, I am Now
Truly Be The Best therapy
Truly Be The Best therapy
Truly Be!

Hermit, pregnant, or menopause?
Carry the Lantern, a stick and a cause
Carry the Lantern, a stick and a cause
And, Our Cause.

You were then and I am Now
Truly Be The Best Therapy
Truly Be The Best Therapy
Truly Be,....

You were then and I am Now
Truly Be The Best Therapy
Truly Be The Best Therapy
Truly Be,....

They were then and We are Now
Truly Be the Best Remedy
Truly Be - the Best Remedy
Truly Be,....

Considerable My Power
Of Destruction
To My Church My Heart
I Dedicate, I Dedicate

I pity those behind Me
Self centred and too late
Self centred and too late
Far too late

You were then and I am Now
Truly Be The Best Therapy
Truly Be The Best Therapy
Truly Be,....

Truly Be The Best Therapy
Truly Be The Best Therapy
Truly Be The Best Therapy
Truly Be,.
