

# Death SS, The Four Horsemen

And when the lamb opened the  
First seal,  
I saw the first horse.  
The horseman held a bow

Now when the lamb opened the  
Second seal,  
I saw the second horse  
The horseman held his sword

The leading horse is white  
The second horse is red  
The third one is a black,  
The last one is a green

The leading horse is white  
The second horse is red  
The third one is a black,  
The last one is a green  
And when the lamb opened the  
Third seal,  
I saw the third horse.  
The horseman had a balance

Now when the lamb opened the fourth seal,  
I saw the fourth horse.  
The horseman was the pest

The leading horse is white  
The second horse is red  
The third one is a black,  
The last one is a green

The leading horse is white  
The second horse is red  
The third one is a black,  
The last one is a green

The leading horse is white  
The second horse is red  
The third one is a black,  
The last one is a green
