

# Deathrabb, So Yesterday

You can change your life  
(if you wanna)  
You can change your clothes  
(if you wanna)  
If can change your mind  
Well that's the way it goes

But I'm gonna keep your jeans  
And your old black hat  
(\*Cuz I wanna)  
They look good on me  
You're never gonna get them back

At least not today  
Not today  
Not today, 'cuz

If it's over let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
I'm just a bird  
That's already flown away  
Laugh it off  
Let it go and  
When you wake up it will seem  
So yesterday  
So yesterday  
Haven't you heard that I'm gonna be ok

Ha!  
Okay

You can say you're bored  
(If you wanna)  
You could act real tough  
(If you wanna)  
You could say you're torn  
But I've heard enough

Thank you  
You've made my mind up for me  
When you started to ignore me  
You won't see a single tear  
It isn't gonna happen here

At least not today  
Not today  
Not today, 'cuz

If it's over let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
I'm just a bird  
That's already flown away  
Laugh it off  
Let it go and  
When you wake up it will seem  
So yesterday  
So yesterday  
Haven't you heard that I'm gonna be ok

If you're over me

I'm already over you  
If it's all been done  
What is left to do  
How can you hang up  
If the line is dead  
If you wanna walk out  
I'm a step ahead  
If you're moving on  
I'm already gone  
If the light is off  
Then it isn't on

At least not today  
Not today  
Not today, 'cuz

If it's over let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
I'm just a bird  
That's already flown away  
Laugh it off  
Let it go and  
When you wake up it will seem  
So yesterday  
So yesterday  
Haven't you heard you're so (yesterday)

If it's over let it go and  
Come tomorrow it will seem  
So yesterday  
So yesterday  
I'm just a bird  
That's already flown away  
Laugh it off  
Let it go and  
When you wake up it will seem  
So yesterday  
So yesterday  
Haven't you heard that I'm gonna be ok
