## Deathspell Omega, Inquisitors Of Satan

No place to hide, its time to suffer After the tracking come the tortures You'll worship the Devil before you piss away Tremble at the thought of this unholy revenge The legions will catch each normal human being Why do they ask for weak values like mercy or tolerance? The answer to their miserable life is a painful death We will give you agony, you will give us pleasure Every form of religion shall be erased Disgusting weaklings must scream and cry (Scream and cry...) Let us show who're strong in mind You'll realize no one can help you (No one can help you...) It hurts atrocisiously you hope you'll join the Heaven soon But your agony was so sweet compared with what comes next (Hell comes next...) Powerless belies are crushed in a storm of hate Your faith is changed to follow demoniac ways (Demoniac ways...) Bodies are tied to instruments of torture Demons are now eating the pityful spirits that were inside (Inquisitors of Satan...)
