

# Deathspell Omega, Raping Human Dignity

Suffer I hate you I want you dead.  
My dagger in your heart, I stabb twice  
Pleasure to see the blood flow  
I lick the liquid of life  
Hail to Death! Hail the Ultimate Void! Ave Satan!

Afraid to die, I see it in your eyes  
I masturbate on your dignity,  
You're a human being, you deserve to die.  
Don't try to escape, Satan is here for you,  
Utter evilness you get to feel  
What a joy, your last moments of life : a bloody nightmare.  
Hail to Death! Hail the Ultimate Void! Ave Satan!

Torture Rape Blasphemy.  
Life is a gift of god, but feeble it is  
Death's reign is my prophecy,  
I bring pain and suffering,  
I mock your wishes and sweet dreams,  
Torture you to death is my aim  
Eradicate life for mere pleasure!!!
