

# DeBarge, All This Love

I had some problems  
And no one could seem to solve them  
But you found the answer  
You told me to take this chance

And learn the ways of love, my baby  
And all that it has to offer  
In time you will see  
That love won't let you down

You said that you loved me  
Said hurt only came to pass me  
It sounded so convincing  
That I gave it half a chance

And learned the ways of love, my baby  
There is so much love inside me  
And all that I have  
I give my all to you

All, all my love, baby  
And all this love is waiting for you  
My baby, my darling  
And all, all my love is waiting for you

Oh, I had some problems  
And no one could seem to solve them  
But you, you, you found the answer  
So I gave it half a chance

And learned the ways of love, my baby  
And all that it had to offer  
And all that I have  
I give my all to you

All, all my love, babe  
And all this love is waiting for you  
My baby, my sugar  
And all, all my love  
Is waiting for you, oooh

All this love is waiting for you  
And all this love is waiting for you  
My, baby, and baby, all this  
All this love is waiting for you  
My sugar, my baby  
And all my love is waiting for you

Oh, I love how you make me feel this way  
My love is getting stronger every day. my baby  
And after all I went and put myself through  
I found that all I really needed was you  
My darling

As the sun has it's place up in the sky  
I love you so dearly and all the same  
There's no need to wonder why  
I need you, please hear me

Say you really love me, baby  
Say you really love me, darling  
For I really love you, baby  
You know I really love you, darling

And, baby, all  
All this love is waiting for you

Say you really love me, baby  
Say you really love me, darling  
For I really love you, baby  
Sure enough love you, darling

Say, say you love me  
Oh, I love you

Baby, all my love is waiting for you  
My baby, ow
