

Debbie Gibson, Dancin In My Mind

Feelings carry away with me
Til I tremble no more
Music makes lovers of all of us
Out on the floor

I don't know you too well
and we don't have much time
but whenever you cross my mind
we'll be dancing like we did that summer

When no boundaries kept us confined
we'll be intimately dancin in my mind

I wish I had many lives
at least more than this one
then I could deeply feel the love
to love everyone

No I just can't up and leave
everything behind
but still you have touched my life

I'll be dancin like we did that summer
when no boundaries kept us confined
we'll be intimately dancin in my mind

You feel lovely
You're just what I need right now

Dancin like we did that summer
when no boundaries kept us confined
we'll be intimately dancin in my mind.
