Debbie Gibson, Dancin In My Mind

Feelings carry away with me Til I tremble no more Music makes lovers of all of us Out on the floor

I don't know you too well and we don't have much time but whenever you cross my mind we'll be dancing like we did that summer

When no boundaries kept us confined we'll be intimately dancin in my mind

I wish I had many lives at least more than this one then I could deeply feel the love to love everyone

No I just can't up and leave everything behind but still you have touched my life

I'll be dancin like we did that summer when no boundaries kept us confined we'll be intimately dancin in my mind

You feel lovely You're just what I need right now

Dancin like we did that summer when no boundaries kept us confined we'll be intimately dancin in my mind.
