

# Debbie Gibson, Losin' Myself (12-in Masters At Work Version)

Verse:

Lost all reality, you've really got a hold  
Turned myself over to you body, mind and soul  
It might seem crazy and though I'm in over my head  
Got no direction and my world is spinnin' round  
Feel like I'm risin' up and never comin' down  
A million people talk but I don't hear a word they say

Chorus:

Don't know what to do/nothin' I can do  
I'm losin' myself over you  
(And it hurts me so right)  
Can't deny it's true  
You know I couldn't fight it baby even if I wanted to  
I'm losin' myself...over you

Verse:

Love like the ocean feel it rushin' over me  
You are the treasure that I've searched for desperately  
The tide it races in, it's pullin' me out to the sea...  
Willingly  
You're my celebration boy, the reason I exist  
I feel a hundred lifetimes deep within your kiss  
Don't say a word just hold me close  
I hear your heart talkin' to me...  
Secretly

Chorus

Bridge:

And when the darkness came  
You washed away the pain  
You can do anything when it comes to me  
I won't hold back  
I wanna know no shame  
Take me away in the sky...
