

# Debbie Gibson, Where Have You Been

## VERSE 1:

Something's funny 'bout your touch lately  
It's like you've been touching someone else  
And the sound of your voice,  
Well something's stopping you from being yourself  
We've always been honest -  
And painfully so -  
So tell me though I don't want to hear

I have to ask you  
Where have you been?  
'Cause I think I know the answer  
And it's not what I wanted to hear  
Dear, where have you been?  
I've been waiting up for you  
I don't want to accuse but  
Your eyes and mouth they tell a different story  
I don't want to hear it but -  
The truth -  
Where have you been?

## VERSE 2:

(Well) I know it's easy to lose faith  
We look simply for a change of pace  
And I know my moods, they go up and down  
But when you're climbing walls, don't I stick around?  
You caught me  
On some little white lies  
It's you who taught me  
About silent goodbyes

I have to ask you  
Where have you been?  
'Cause I think I know the answer  
And it's isn't what I wanted to hear  
Dear, where have you been?  
I've been waiting up for you  
I don't want to accuse but  
Your eyes and mouth they tell a different story  
I don't want to hear it-  
But the truth-  
Where have you been?

## BRIDGE:

A silent cry fills the room  
I hear it no sooner than the words ring true  
I knew it all along  
Please erase this song  
End this harsh reality  
What did you do to me? oh.....

I have to ask you  
Where have you been?  
'Cause I think I know the answer  
And it isn't what I wanted to hear  
No  
I've been waiting up for you  
I have to ask you  
Where have you been?  
I think I know the answer  
It's written all over your face

No-no-no  
No-no-no-no

I don't want to know - yeah

Your eyes and mouth they tell a different story

I don't want to hear it -

But the truth -

Where have you been?

I don't want to hear it - but tell me

Where have you been?

No...

Where have you been?

Where have you been?
