

Debbiefox, A Business

I'm gonna give you the stone
I'm gonna give you the stone
I'm gonna give you the stone
I'm gonna give you the stone

And if it's not alright
Don't you tell me that it's fine

It's not right
It's not right
It's not right
It's not right

It's not right
It's not right
It's not right
It's not right

I'm gonna walk by the river
I'm gonna walk by the river
It is getting much deeper
The water is getting deeper

And if it's not alright
Don't you tell me that it's fine

It's not right
It's not right
It's not right
It's not right

It's not right
It's not right
It's not right
It's not right

Alright, alright
It's not alright
Alright, alright
It's not alright

I'm gonna get to the business
I'm gonna get to the business
It is just a big fat mess
And it's called a business

And if it's not alright
Don't you tell me that it's fine

It's not right
It's not right
It's not right
It's not right

It's not right
It's not right
It's not right
It's not right

I'm gonna give you the stone
I'm gonna give you the stone
I'm gonna give you the stone
I'm gonna give you the stone

And if it's not alright
Don't you tell me that it's fine

It's not right
It's not right
It's not right
It's not right

It's not right
It's not right
It's not right
It's not right
