

# Debelah Morgan, Don't Ask Me Why

(Robert Jerald, Sherree Ford-Payne)

You wanted to know why I love you  
Baby don't ask me why, I just do  
And you say that you feel the same  
No questions asked  
Here we go, here we go  
Don't don't you ask me why  
Don't don't you ask me why  
Don't don't you ask me why  
Don't don't you ask me why  
Don't ask me baby, no  
There's something about the way you look at me  
It really turns me on

(Turns me on)

And the way you smile, it warms my heart  
I know that we belong together  
Now you want to know why I feel the way I do  
And I don't know why  
But tonight get close to you  
My heart it skips a beat  
Boy you knock me off my feet  
It's a feeling I just can't explain  
So don't ask me why I do  
'Cause I just do  
I love you  
Don't even ask me why  
'Cause I just don't know  
I just do  
I love you  
I thought it was too soon to fall in love  
The way I felt for you, yeah  
But then you said you felt the same, same for me  
The way I felt for you, you  
You wanna know why I feel the way I do  
And I don't know why  
But tonight get close to you  
My heart it skips a beat  
Boy you knock me off my feet  
It's a feeling that I just can't explain, oh  
Don't ask me why  
'Cause I don't know the reason  
No reason why  
I feel the way I do  
I can't explain  
It's something that I feel inside  
From my heart to you  
So don't ask me why I do  
I just do  
I love you  
Don't ask me why I do  
I just do  
I love you  
I just do  
Don't ask me why  
Don't ask me why  
'Cause I don't even know  
All I that know is that I love you so  
Don't ask me why  
'Cause I don't even know  
Oh  
Don't ask me why  
I do  
I just do  
All that I know

Is that I love you so  
Don't you ask me  
I just do  
I love you, ooh  
Don't don't ask me why  
(???)  
Don't don't ask me why  
(oh)  
Don't don't ask me why  
(don't you don't you don't you don't you don't you)  
Don't don't ask me why  
(ask me why)  
Don't don't ask me why  
(ask me why)  
Don't don't ask me why  
I don't know  
I just don't know baby  
...
