

Debelah Morgan, I'm Still In Love

I, I know my love for you
Was more than I should ever let my heart decide
So I, I tried to hide
Behind some other lovers when we said goodbye
So I look far and wide for somebody new
Just to prove that it was over
Darling and I try forgetting you And fall for someone new
But I was only fooling myself
'Cause right now
Right now I'm still in love with you
And I don't know what to do
I know it drives me crazy and makes my mind so hazy
I know it's over but I'm still in love with you

Brian:

I, I think about your love
Your lips so close to mine remind me of what I miss
Oh one one love in time
Forever we were searching for the love we missed
So I look far and wide for somebody new
Just to prove that it was over
Darling and try forgetting you
And fall for someone new
(baby I'm falling)
But I was only fooling myself
I'm still
Right now I'm still in love with you
And I don't know what to do
I know it drives me crazy and makes my mind so hazy
I know it's over but I'm still in love with you

Brian: This love

Debelah: This love

Brian: Of mine

Both: If I could turn back the hands of time

Brian: You know that I would

Debelah: Baby I would

Brian: To have

Debelah: To have

Brian: your love

Debelah: your love

Both: I would do

Brian: anything

Debelah: anything

Brian: anything

Debelah: anything

Both: to spend one night with you, but right now

Debelah: but right now

(repeat chorus till fade)

Brian: Still in love

Debelah: I don't know what to do

Brian: and I don't know what to do

Debelah: baby baby baby

Brian: I'm still in love with you, still in love with you, but right now

Debelah: Right now

Brian: I'm still

Debelah: I'm in love, I'm in love with you baby

I'm still in love

My mind is so crazy, hazy

I'm still in love with you
