Debelah Morgan, I'm Still In Love

I, I know my love for you

Was more than I should ever let my heart decide

So I, I tried to hide

Behind some other lovers when we said goodbye

So I look far and wide for somebody new

Just to prove that it was over

Darling and I try forgetting youAnd fall for someone new

But I was only fooling myself

'Cause right now

Right now I'm still in love with you

And I don't know what to do

I know it drives me crazy and makes my mind so hazy

I know it's over but I'm still in love with you

Brian.

I, I think about your love

Your lips so close to mine remind me of what I miss

Oh one one love in time

Forever we were searching for the love we missed

So I look far and wide for somebody new

Just to prove that it was over Darling and try forgetting you And fall for someone new (babyl'm falling)

But I was only fooling myself

I'm still

Right now I'm still in love with you

And I don't know what to do

I know it drives me crazy and makes my mind so hazy

I know it's over but I'm still in love with you

Brian: This love Debelah: This love Brian: Of mine

Both: If I could turn back the hands of time

Brian: You know that I would Debelah: Baby I would

Brian: To have
Debelah: To have
Brian: your love
Debelah: your love
Both: I would do
Brian: anything
Debelah: anything
Brian: anything
Debelah: anything

Both: to spend one night with you, but right now

Debelah: but right now (repeat chorus till fade) Brian: Still in love

Debelah: I don't know what to do Brian: and I don't know what to do

Debelah: baby baby baby

Brian: I'm still in love with you, still in love with you, but right now

Debelah: Right now

Brian: I'm still

Debelah: I'm in love, I'm in love with you baby

My mind is so crazy, hazy I'm still in love with you
