

Debelah Morgan, I Promise

I remember the way I felt on the day
that you told me you really loved me
I remember the look of love in your eyes
I remember, I remember it well

(Verse 1)

You make me feel so beautiful
You are the reason I am
When I don't think I can make it baby
You always tell me I can
I can still feel it deep inside
I remember the day that changed my life

Chorus

(Verse 2)

You make me feel like I'm dreaming
When I wake up you're always there
You are my reason for living
Loving you I have no fear
I can still feel it deep inside
I remember the day that changed my life

Chorus

(Bridge)

I remember, the look in your eye
The way I felt inside
When I looked back into your eyes
I remember, I remember

Chorus

(Break-down)

You make me feel so beautiful
I remember
You make me feel so beautiful
I remember
