

Debelah Morgan, Mind Trippin'

(Chris Stokes, Kuk Harrell)

Mind trippin'
Why you wanna trip on me, oh
Mind trippin'
Ah, ooh
Mind
Ah, ooh
The situation turns around
You got clouds don't frown
I thought that you'd abandoned me
How could I be so blind to say
That we could one before we just have fun
Oh no
Do you feel you can trip on me?
You play with my mind but I ain't got the time
Because of all the ??? was the key ???
Here just you and me
You keep playing all these mind trips
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Now that the story's told
You unfold, let me know
Whether you've been tripping on me or not
Now that I opened my eyes to see
That you've been trippin' on me
Do you feel that you can trip on me
You play with my mind
But I ain't got the time because of
All what see, it was the key ???
It would be just you and me
but you keep playing all these games
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
...

I gave you a chance to let you get with me
Boy but you blew it
Boy you blew it with these games that you play
Now the table's turning
And I got you learning
Why you wanna play all these mind trips baby?
Why, oh why oh why
Boy you think you can get over me
Ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
Mind trippin'
Aah, ooh
