

Debelah Morgan, Take It Easy

(Alvaughn "A.J." Jackson, Leonard "Domino" Sinclair)

Ooh

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it right

Take it easy

Treat me gently

Don't you hurt me

???

Oh, my man look into my eyes

Loving you is the best thing I can do

But wait a minute I want to talk to you

Take it easy baby and everything will be alright

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it right boy

Now if you want a long relationship

You gotta take your time

Because love is not a one night thing

Love is a lifetime

So take it easy and everything will be alright

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it right

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it right boy

(That's how I like it)

That's how I like it

When you do it like that way baby ???

Turn the lights down low

When we make sweet love

That's how I like it baby

Take it easy

Oh yeah

Oh ah yeah

Take it easy

Turn the lights down low

Oh

Oh no no no no

Take it easy

Take it easy ???

Don't rush

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it right

Take it easy

Treat me gently

Don't you hurt me

I'm gonna do it right boy

Loving you

Needing you

Missing you

Kissing you

Touching you

Wanting you
Needing you
Love is a lifetime
Loving you
Needing you
Losing/using ??? you
Holding you
Touch you
Wanting you
Needing you
Love is a lifetime
you change your mind ???
Take it easy
Treat me gently
Don't you hurt me
I'm gonna do it right boy
Take it easy
Treat me gently
Don't you hurt me
I'm gonna do it right boy
