

Deborah Allen, All That I Am

I can be tough, I can be tender.
Strong as a saint, weak as a sinner.
Oh when I'm in your arms, I'm so complete.
You bring out what's inside of me.

A woman with a mind,
A body with a soul.
A heart full of love,
That won't let go.
I love the way you understand,
All that I am.

I'm a member of the modern world,
But sometimes I'm still an old-fashioned girl.
You make me laugh, you let me cry.
I finally found a man who's not afraid to try,

A woman with a mind,
A body with a soul.
A heart full of love,
That won't let go.
I love the way you understand,
All that I am.

Instrumental break.

I'll hold on as long as I can.
And keep lovin' you with all that I am.

A woman with a mind,
A body with a soul.
A heart full of love,
That won't let go.
I love the way you understand,
All that I am.

I love the way you understand,
All that I am.

All that I am.

All that I am.

All that I am.

Mmmmmm, all that I am.

All that I am.

To fade.
