

Deborah Allen, Baby I Lied

Did I say I wouldnt be hurt if our love just didnt work?
Did I say that Id be okay if you said good-bye?
And did I promise you I could take it if we were through,
and forget about these feelings inside?

Baby I lied When I told you I could walk away
Baby I lied And forget about the love we made.
I swear on my heart I was telling the truth at the time.
Baby I lied. Baby I lied.

And did I ever tell myself I could always find someone else?
Did I say if you left today itd be no surprise?
Did I ever leave any doubt I could hold up if you walked out?
I know I told you that I could survive.

Baby I lied When I told you I could walk away
Baby I lied And forget about the love we made
I swear on my heart I was telling the truth at the time
Baby I lied. Baby I lied.

And now that I can see you walking out of my life
Saying good-bye, I realize, baby, baby, baby
