

Deborah Allen, My Baby

My baby gives me satisfaction.
My baby gives me all his love.
Lets me know I'm his main attraction,
No-one else is gonna feel his touch.
I love the way he drives me crazy.
All night long, you know, I love my baby.

My baby is a full-time lover.
My baby is a full grown man.
Makes me fell like a natural woman.
I know he's the only one who can.
Rock my world, and I don't mean maybe.
From now on, I'm gonna love my baby.

No-one can take me away from my baby.
I'm holdin' onto heaven in his arms.

Instrumental break.

No-one can take me away from my baby.
I'm holdin' onto heaven in his arms.

My baby is the rollin' thunder.
My baby is a southbound train.
His love is like a long hot summer.
Calms me down like a cool, cool rain.
His sweet wonderful ways amaze me.
There's no wonder why I love my baby.

Love my baby.
I love my baby.
I love my baby.
