

Deborah Allen, Thinkin' Again

Thinkin' again,
My mind runnin' crazy.
Chasin' old memories,
Like ghosts in the wind.

I swear to my heart,
That you're out of my head.
But then I forget,
And start thinkin' again.

Thinkin' again,
But my thoughts are in vain.
It's the wonderin' why,
You let our love die,
That drives me insane.

I've cried so many tears,
My eyes are burnin'.
I'm tossin' and turnin',
And thinkin' again.

Instrumental break.

Thinkin' again,
But my thoughts are in vain.
It's the wonderin' why,
You let our love die,
That drives me insane.

I swear to my heart,
That you're out of my head.
Oh, but then I forget,
And start thinkin' again.

I always forget,
And start thinkin' again.
