

Deborah Cox, What A Difference A Day Made

What a difference a day makes,
twenty-four little hours,
brought the sun and the flowers,
where their used to be rain.

my yesterday was blue dear,
today i'm a part of you dear,
my lonley nights are through dear,
since you said "you are mine";.

oohhh, what a difference a day makes,
theirs a rainbow before me,
skie's above can't bestore me,
since that moment of bliss,
that thrilling kiss.

it's heaven when you,

find romance on the menu,
what a difference a day,
and the difference is you.
