

# Deborah Gibson, Just Wasn't Love

Blame it on the blues you sing  
Blame it on anything and everything  
Blame it on a lack of faith or a twist of fate  
'Til it makes you feel okay  
Then come to terms with the fact  
It was over because it was

## CHORUS:

It wasn't the time  
It wasn't the place  
Or my frame of mind, or the look on your face  
It wasn't the road we were on  
Or the days, though there were not enough  
Sad to say  
It just wasn't love

Oh, I thought that you were the one  
Saw forever  
It was here and it was gone  
I needed a reason clear things don't disappear  
And that's how I found the truth  
It's just how the story goes  
We've been over it a hundred times

## CHORUS

Some things need no explanation  
No chance for will that's free (oh no, no)  
Some things kill every reason we have  
To ever believe things are what they seem

It wasn't the road we were on  
Or the days, though there were not enough  
Oh, Sad to say

## CHORUS

No, no, no, no  
Baby, no, it just wasn't love  
It just wasn't love  
No, no, no, no  
Baby, no, it just wasn't love  
Just wasn't love  
No, no, no, no  
Just wasn't love  
No, no, no, no  
Baby, no, it just wasn't love  
It just wasn't love
