December Wolves, Do Not Entry

FUCK!...When we're down, I'd love to see the guilty one. I'd wave the spoiled solace of the underdog.

Bell-brow, leading the fleet. Which compels me to allege the meat?

The teachers all agree. The saber is green with envy. And I was (next)...or so the astrologists seemed.

Physical education, as always, increased...A social climax to say the least. Swallow the marrow of the fortunate few (While) the innocent lick their chops...

" E" as in entry! I'm here to mingle with the selfish and obscene.
