

Dechant Anne E, Only You

Looking from my window above
It's the story of love
Can you hear me
Came back only yesterday
I'm moving farther away
Want you near me
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
Sometimes when I think of her name
When it's only a game
And I need you
Listen to the words that you say
It's getting harder to stay
When I see you
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
This is gonna take a little time
And I wonder what's mine
I can't take no more
Wondering if you'll understand
It's just the touch of your hand
Behind a closed door
All I needed was the love you gave
All I needed for another day
And all I ever knew. Only you
