

Declan McKenna, Sympathy

Sympathy won't you come around
I don't need the commotion
Usually though I'm up and down
You just need rollercoasters
Goodness me all you talk about
is how you'll beat all the others
Sympathy won't come around
So make peace and discover

Why you make it up
Party on and tear it down
Don't you wanna get it on
Everybody believes you now,

I can see what you're all about,
You don't need to be clever
If you don't speak your thoughts aloud
You just feel them forever
Goodness me all you talk about
is how you'll beat one another
Sympathy's gonna come around
So make peace and discover

Why you gotta make it up
Party on and tear it down down
Don't you wanna get it on
Everybody believes you now

You don't need to be clever
You don't need to be clever

Sympathy's gonna come around

You don't need to be clever
