

Decoded Feedback, Monument

Lost in my own world
I surely won't deny
I wanted to be free...
One more time.
This sentiment collapse
Astonished...

Now. i've realized
It wasn't me
It wasn't you
This time

This monument called life
It's falling apart
This monument called life
it's falling apart

I wish
In this moment of your life
I could make you feel safe
One more time
I wish
I wish
