Decoded Feedback, Relic (Aghast View "Intense'

The skull is empty, the entire brain appears to have fallen out, or has been, extracted through this I Blood pressure heart beaten, blood pressure heart beaten.

Living in a world A world full of hate Nothing can stop my feelings inside Nothing can live after it dies

Relic The world is a relic

To punish this world guilty of hate Nobody will ever see the sun Nobody will ever be young Nothing can stop my feelings inside Nothing can live after it dies

Relic The world is a relic

I tried to live a normal life I tried to be a normal guy I tried to hide my better side I tried to live, and deny I tried but the world is dying
