

# Decoryah, Fall-Dark Waters

Deepness, Where are You?  
Insert emotions storm in  
Fill me... With your waves

Water! Love me now...  
Whisper your dreams

Pain grows with the waves  
Darkness runs through your Gales  
Fall is yet to Come  
Pain we be swept away

I feel so hogh - indcredible high  
Floating above the stars - kissing the sky

I fly through th Sun as a Wave  
Feeling no pain  
Come with me now!  
Come, Come, Come...
