

Dee D.Jackson, I'm Dying

Oh you made me feel
What it means to belong
And always sharing
You made me feel
What it means to be hooked
On a man
First you would love me
And then you would leave
Without a warning
I was pretending
to be cool And strong
oh but

Can't you see
Oh baby, baby I'm dying
Can't you hear
Oh baby, baby I'm crying
Without you around me
My world Ain't turning
All I can feel
Is this painful yearning
Can't you see
Oh baby, baby I'm dying
Oh yes I'm dying

When I first looked In your eyes
I saw love and true affection
And I was so sure
When you kissed me that
You would be mine
And now that you've left me
My life is so empty
No protection
Helpness and lonely
I'm ready to give up but

Can't you see
Oh baby, baby I'm dying
Can't you hear
Oh baby, baby I'm crying
Without you around me
My life ain't worth living
Without your loving
I don't feel like giving
Can't you see
Oh baby, baby I'm dying
Dying for your love

Oh Baby don't you kill me

I can't feel love for anyone
It's only you I'm longing
For love now
Can't you see
Oh baby, bay I'm dying
Can't you hear
Oh baby, bay I'm crying
Without you around me
My world ain't turning
All I can feel
Is this painful yearning
Can't you see
Oh baby, baby I'm dying
Oh yes I'm dying
