

Dee D.Jackson, Sos (Love To The Rescue)

SOS, SOS
I'm calling love to the rescue
SOS, SOS
I'm calling love to the rescue

When he came into my life
I asked him what's your alibi
He said he had a love to last forever
I'm lost in his love
He took my breath away
I thought that he was here to stay
But then he left me here
To drift alone
I'm lost in his love

I'm calling love to the rescue
Won't someone here
Listen out for my plea
I'm calling love to the rescue
I need someone to come and help me
Oh oh oh oh...

SOS, SOS
I'm calling love to the rescue
SOS, SOS
I'm calling love to the rescue

Left stranded all alone
It's hard to make it on my own
Although I'm one more
Shell upon the shore
I'm lost in his love
I tumble in my heart
And try to find that hidden part
Of love which seems
To lose my very touch
I'm lost in his love

I'm calling love to the rescue
Won't someone here
Listen out to my plea
I'm calling love to the rescue
I need someone to come and help me
Love to the rescue
Can't someone there
Listen out for my plea
I'm calling love to the rescue
I need someone to come and help me
Oh oh oh oh...

SOS, SOS
I'm calling love to the rescue
SOS, SOS
I'm calling love to the rescue
