

Dee D.Jackson, Stop All This Madness

You never seemed the kind of guy
To cause me so much pain
I didn't think that even
I could hurt someone again
I don't know why it is that
We fight when it tears us both apart
Don't you think it's time we let
A little loving start

Oh we got to stop
Stop all this madness
Before we run out of time
We got to stop
Stop all this madness
And lay a little love on the line
We got to stop

I never tried to reach for love
It took me by the hand
I don't know how I don't know when
And I just don't understand
Loving you was something else
And I lost my self control
You turned me round
I'm lost and I'm found
I lost my soul

Oh we got to stop
Stop all this madness
Before we run out of time
We got to stop
Stop all this madness
And lay it right down on the line
We got to stop

Oh don't you know were so alike
But we just can't get it right
Surely we can find a way
To compromise

Oh we got to stop
Stop all this madness
Before we run out of time
We got to stop
Stop all this madness
And lay it right down on the line

Oh we got to stop
Stop all this madness
Before we run out of time
We got to stop
Stop all this madness
And lay it right down on the line
We got to stop
