

Deeci, Sharks (ft. Mod Martin)

On top of the world, with my favorite girl
But all of these things got a price you know
Because now, I have to swim with...

Sharks baby, and it's so cool
I'm swimming with sharks baby
And it's so cool
Let's go!
Sharks baby, and it's so cool
I'm swimming with sharks baby
And it's so cool

It's my time
I got to believe it
No (no) big lines
A record deal
Front to the back
I know you like it
Swim like a shark
Who's smelling my hit

Dirty south
We rock da house
And make your heart feel like
BOOM BOOM
Our shitis loud
We bring you down
Make you all scream like
WHOO WHOO

I see you guys running
When i'm writing a rock song
I'm living all my dreams tonight
It ain't nobody but me
I'm a rock star babe
I'm a rock star babe
I'm a rock star babe!

Sharks babe let it go
And it's so cool, I will break any code
I'm swimming with sharks baby tonight
And it's so cool, I will make any foul

Sharks baby, and it's so cool
I'm swimming with sharks baby
And it's so cool

We're back in the city
Where girls get naughty
If you're a celebrity
You look much pretty

Everybody needs coke, no joke
Some people get broke, yeah, so ?
They are living in a house, low cost
But they still here, getting drunk!

Make pictures, take pictures
Post on your wall in a broad mixture
Ya feelin so high for next six years
Don't stop (don't stop), drinks up...cheers!
Let it go, let it go
Shake them hands and start the show
Sex place, Girls pause

Make a deal in a cloud of smoke

I'm swimming with sharks baby

On top of the world

With my favorite girl

Haha, this one is for the sharks, baby.
