## Deeds Of Flesh, Ritual Of Battle

Anticipating the moment
When this horrid torture will end
My body becomes more and more deformed
Lying there screaming
So deformed
So deformed
More and more deformed
So deformed

Something is tearing at My intestines Knife still deep in my cavity

How can this be I am still alive How can this be I am still alive He is torturing me

Anticipating the moment
When this horrid torture will end
My body becomes more and more deformed
Lying there screaming
So deformed
So deformed
More and more deformed
So deformed

I am still alive I am still alive Murder me

I am still being torture rabidly Let me die Carnivorous beast Devouring me Awaiting blackness To overcome
