

Deemi, Why Niggas Always Wanna Fuck

[Intro:]

And to all the ladies out there,
I know you feeling me
got a nigga callin' to skee
3 a.m. in the morning
(whut u asking 4, u always ask me that)

[Chorus:]

(Why niggas always wanna fuck)
Why, can't we just catch a flick
walk through the park
maybe take some pics
always wanna ask can I suck ya dick, noooo
Why niggas always wanna fuck [x2]

[Verse 1:]

Only call me just to get a piece
the other jump off can't prefill ya needs
don't call to go shopping or pay the bills
and when we meet we only skeet and nothing else
(whyyyy)

[Bridge:]

Do the love ever last all night
do it, here comes the morning light
Beat it up then we say goodbye
then 3-4 months until the next time [x2]

[Chorus:]

Why, can't we just catch a flick
walk through the park
maybe take some pics
always wanna ask can I suck ya dick, noooo
Why niggas always wanna fuck [x2]

[Verse 2:]

Never let me know that I've been missed
(baby I miss u)
n when we fuck it's at ur convenience
there so much more to me than what u ask
if u have nothing else to offer then I'll pass (he-ehhh)
(maybe next time)

[Bridge:]

Do the love ever last all night
do it, here comes the morning light
Beat it up then we say goodbye
then 3-4 months until the next time [x2]

[Chorus:]

Why, can't we just catch a flick
walk through the park
maybe take some pics
always wanna ask can I suck ya dick, noooo
(Why niggas always wanna fuck) [x2]

[Breakdown:]

always got to ask for it
I get so tired of it
I just get tired of it
and sometimes
won't u put ur face in it
I won't get tired of it
never get tired of it

[Chorus:]
Why, can't we just catch a flick
walk through the park
maybe take some pics
always wanna ask can I suck ya dick, noooo
(Why niggas always wanna fuck)
[chorus fades]
