Kaifa navam niyalam nadip marat

Ee al'liar kai kopyado sialaf

Beluman sidali medan sialaf

(Zai... Zai... Zai... Zai)

(Repeated several times)

You say that I can help

Don't cry I can help (or the above)

How can I hide your tears

And happiness will come... that's true

You know all this... that's true

Step, step, step, step...
