

Deep Purple, Emmaretta

Dreaming about my love.
You bring me joy and hours of happiness,
More or less.
I dream my life away.
Waiting for you to come.
Changing my life for you to emptiness,
Meaningless.
Minutes just drift by.
I don't care if I get nowhere.
I can just dream and you'll be there.
What else is there to do?
Dreaming about my life.
Where are you now, and when will you
Come to me?
I dream my life away.
I don't care if I get nowhere.
I can just dream and you'll be there.
What else is there to do?
Dreaming about my love;
You bring me joy and hours of happiness,
More or less.
I dream my life away.
Dreaming, dreaming.
