

# Deep Purple, Exposition-We Can Work It Out

This part is instrumental  
&lt;/lyrics&gt;

\*"We Can Work It Out"

&lt;/lyrics&gt;

Try to see it my way

Do I have to keep on talking till I can't go wrong

While you see it your way

Run the risk of knowing that our love will soon be gone

We can work it out

We can work it out

Think of what you're saying

You can get it wrong and still you think that it's alright

Think of what I'm saying

We can work it out and get it straight or say goodnight

We can work it out

We can work it out

Life is very short and there's no time

For fussing and fighting my friend

I have always thought that it's a crime

So I will ask you once again

I'll ask you once again

Try to see it my way

Only time will tell if I am right or I am wrong

While I see it your way

There's a chance that we might fall apart before too long

We can work it out

We can work it out

Life is very short and there's no time

For fussing and fighting my friend

I have always thought that it's a crime

So I will ask you once again

I'll ask you once again

Try to see it my way

Only time will tell if I am right or I am wrong

While I see it your way

There's a chance that we might fall apart before too long

We can work it out

We can work it out

At least we can try

We can try out to work it out someday
