

Deep Purple, Hey Bop A Re Bop

No, no, no Gloria
Oh try and help me, Gloria
Standing at the station
Waiting for you Gloria

Oh standing at the station
I've been waiting there for you Gloria
Oh I've been waiting, I've been waiting there for you Gloria
I've been waiting, waiting for you Gloria

No, long day is dying
Long day is dying, Gloria
Long day is dying
Long day is dying, Gloria
Don't you know I'm standing at the station
Waiting for you Gloria
