

DeepSystem, A Shadow in Your Life

I'm a shadow in your life

What can I do to be your light

Give me a sign, I'll make you mine

And I'll be yours all my life

You came into my life

And took my love for granted

You ran away with it

And you left me broken hearted

I remember word by word

Your every little lie

You said that I'm your world

And nobody can't deny

Now I'm just an empty soul

A shadow who searches for love

Since you left me alone

My heart became a broken stone

Only you in my life

Only you by my side

Only you in my mind

(Ooo)

Only you in my life

Only you by my side

Only you in my mind

Only you...

(Ooo)

I'm a shadow in your life

What can I do to be your light

Give me a sign, I'll make you mine

And I'll be yours all my life

I can't hide

My heart is blind

I can't get you out of my mind

Tell me why, I can't find

The queen who ruled my life

I've searched all over the world

To find my perfect love

And I can search all my life

So I can have you by my side

If you could see through my eyes

How much you mean to me

Only then you will know

That you're my life, my everything
