

# Deerhoof, Blue Cash

Sophie runs for mom who's up in sky  
She was happy and beloved for life  
We love her so much

Cruise the ocean, do it more  
Gold rush, blue cash, I adore  
Cruise the ocean, do it more

Wan wan wan wan wan  
Run run run run run

Sophie runs for mom who's up in sky  
She was happy and beloved for life  
We love her so much

Cruise the ocean, do it more  
Gold rush, blue cash, I adore  
Cruise the ocean, do it more

Wan wan wan wan wan  
Run run run run run

Play on your harp string and soar  
Play on your heart string it's sore  
Play on your harp string and soar

Wan wan wan wan wan  
Run run run run run
