

# Deerhoof, Vivid Cheek Love Song

Baby baby hi five.  
Baby baby say hi.  
Little little ones.  
Mon ami nna.

Take my hands now.  
Walk to where you like.  
Streets are flowers.

Kites are flying by.  
Winter turns summer.  
Sense will be hi-fi.

Baby baby hi five.  
Baby baby say hi.  
Little little ones.  
Mon ami nna.  
Mon ami nna.

Love, love, love,  
La, la, la...

Baby, you promise me  
You will magic me.  
Magic me.  
Promise me.  
Magic me.

Hearts are closer.  
Sing a song we like.  
Laugh together.

I'll paint your cheek colorfully.  
Will you like it to be blue, red, or green?
