

Deerhunter, Never Stops

I had dreams,
That frightened me awake,
I happened to escape,
But my escape.

Would never come,
Would never come,
Would never come,
Would never come.

I had plans,
To go away for days,
To try and risk a pace,
That haunts my days.

That haunts my days,
Haunts my days,
Haunts my days,
Haunts my days.

I love,

Winter,
In my heart,
It never stops,
It never stops.

Oh winter,
Oh winter,
Oh winter,
Oh winter.

It never stops,
It never stops,
It never stops,
It never stops,
It never...
