

Deestylistic, Help Me

verse 1

if there was a day without you here
there wouldnt be nebody to care for me
i would be lonely o so lonely
i would cry myself to sleep
o i've waited so long for your love
now your here
dont leave me now

chorus 1

help me im dien so fast
help me im trembling
come back to me
make things okae
just tell me you'll be here
right beside me

verse 2

from the first day
that i saw your face
i knew you were the one
the one i would love
i never knew that you would leave
but its just the way it is
nothin lasts forever
just tell me that we wont be a never

chorus 2

help me im falling apart
help me i cant find a way
to have you back in my arms
ill spread my wings and fly
to a place i call love

ending fade

help me im falling apart
help me i cant find a way
to have you back in my arms
ill spread my wings and fly
to a place i call love..
to a place i call love.....

whisper)i love you
