

Deestylistic, If I Open Up My Heart To You

[JuJu-Verse 1]:

It's still too soon to call it love
I know it's more than just a crush
We're gettin' closer every day
And when you look at me that way
All I can say

[JuJu-Chorus]:

Is if I open up my heart to you
I just need to know you feel it too
Will you be the one
To make my dreams come true
If I, if I open up my heart to you

[JuJu-Verse 2]:

I got a feelin' this could be
Somethin' I thought I never see
You're on my mind
Night after night
Somethin' keeps tellin' me
It's alright
So give me a sign..so

[JuJu-Chorus]:

Is if I open up my heart to you
I just need to know you feel it too
Will you be the one?
To make my dreams come true
If I, if I open up my heart to you

[JuJu-Bridge]:

You could be everythin'
That I've needed
But I can't take that chance
Till I know that you're with me
Till I know what your feelin'
Till I know just where you stand

Till I, till I till I know where you stand till I
Will you be the one to make?
My dreams come true
If I, if I open up my heart to you

Will you be the one there?
To help me get though
If I, if I open up my heart to you
