

Def Leppard, Breathe A Sigh

Let me down slow and easy
Cause there ain't nothin' I can do
I hope and pray my faith won't leave me
When it comes down to me and you

Try a little tenderness
I die a little
For a long lost sweet caress

You lyin' next to me
Fulfilled some destiny
I wanna cry
But I breathe a sigh

Just a little bit of letting go
I don't want you to know
I wanna cry
But I breathe a sigh

Overflow of emotion
And a hurt that'll never heal
If you close the door forever
The fate of pain is sealed

Try a little tenderness
I die a little
For a long lost sweet caress

[Repeat Bridge]

[Repeat Chorus]

I more than long for your affection
I tell you know that ain't so
Not even gentle persuasion
Is ever gonna let me go
Won't you let me breathe

[Repeat Bridge]

[Repeat Chorus]
